

Radio Play Release for ThisIsCorrosion.com

I, _____, hereafter referred to as "copyright holder", who does warrant and affirm my authority and ownership of all intellectual property rights in and to the musical composition(s) noted below, or, in the alternative, my authority to grant license for use of said composition(s) on behalf of _____ (label or artist name), hereby grant permission to This is Corrosion, hereafter referred to as "broadcaster", to play **(please check one)**:

Any songs published by the aforementioned copyright holder over the Internet without payment to me or any performing rights organization of any royalties of any kind.

The albums/songs named below owned by the aforementioned copyright holder over the Internet without payment to me or any performing rights organization of any royalties of any kind. (Please specify on a separate sheet.)

Provided, however, that this release is solely for the above material; that the material may only be played over the Internet and not made available for download by any individual or entity to whom I have not granted express written permission; and that the above material shall not be sold or otherwise licensed for pay by broadcaster without my express written permission. I retain all ownership rights and / or licensing authority in and to any composition covered by this release, as set forth above or later added to the scope of this release.

I understand that if I wish to rescind the terms set forth in this release that I will provide broadcaster with ninety (90) days notice in writing in order to identify and remove any material previously scheduled for play. Written notice may be furnished by email, fax or original letter, and each will bear the force and effect of an original. Further, I may elect to identify in the same manner additional composition(s) (tracks or albums) that This is Corrosion may play on its internet radio broadcast and this release or authorization shall be deemed to apply to any such later added compositions without any separate release being required. Any such later added compositions will be fully subject to the terms and limitations of this release.

I hereby represent that I am the copyright holder of the aforementioned material, or in the alternative that I am licensed to authorize usage of same by This is Corrosion, and that (please check (a) or (b) below):

- (a) _____ I am fully empowered and entitled to grant this release without This is Corrosion needing to obtain any further release or authorization, or
- (b) _____ That additional authorization or release is required from: (please identify any additional party from whom authorization or release may be required):

I hereby expressly waive and relinquish my entitlement and / or the entitlement of any other person to such royalties or compensation, regardless of how described, with respect to the composition(s) covered by this release for internet broadcast by the broadcaster, This Is Corrosion. I further warrant and affirm that, with respect to compositions for which this release applies, the broadcaster, This Is Corrosion, is hereby deemed to be completely free of any liability for royalty payments in connection with royalty collection by any agency or entity, including but not limited to RIAA, BMI, SESAC, ASCAP or any other performing rights agency or entity and I warrant and affirm that if I or any other person on my behalf has authorized or agreed to such royalty collection (whether mechanical, publishing or otherwise), Regardless of whether I have authorized or directed such royalty collection at the time of signing this release, I agree to indemnify and hold harmless This is Corrosion, or any person associated therewith, in the event that a royalty-collecting agency or entity later attempts collection of monies from This is Corrosion, or any person associated therewith, as a consequence of This is Corrosion airing such compositions in reliance on this release.

A fax or email copy of this release shall carry the same force and effect as an original.

This agreement shall not be subject to modification other than by an additional document signed by the parties to this agreement, or their appointed representatives.
